## Learn to Fly Fish in a Day

The Twin Tiers Five Rivers Chapter of the FFF is sponsoring a high-quality day-long “introduction to fly fishing” course, open to adults and youth, 12 yrs old and over. The class will provide non-fly fishers with the basic knowledge and skills to get started, and will put novice and “out of practice” fly fishers on a fast track to improve their skills.

Classroom topics include fly fishing equipment and its use, fly types and their usage, basic entomology, knot tying, reading water, fishing dry flies, streamers, and nymphs, catching and releasing fish. Students will develop their fly casting skills through several practice sessions throughout the day.

Students can bring and learn on their own equipment (help available for setup, as needed.) Equipment can be provided for those who request it in advance.
